Folding Wire Music Stand  
for Home Practice

You can get all these items by going one of our Approved Vendors (see website)  
Having a source for good quality reeds is ESSENTIAL for success on oboe.  
Handmade reeds are far superior to the factory-made reed: they play with a better sound and tuning, last longer, and are only \$1-\$2 more than factory made reeds.  
All reeds wear out after a few 4-6 weeks of use and must be replaced.  
Nothing sounds worse than an oboe player playing on old, worn out reeds.
