

Required Supplies List for FOWLER MS Beginning Percussion Class

Our vendor for Percussion equipment is Music & Arts.

Though this list is extensive, if properly cared for these items should last well into high school and longer.

	<p><u>Innovative Percussion Bell Kit (IPPK32)</u> Comes with: bells, practice pad, Innovative Percussion IP-Lalo Davila Snare Drum Sticks, and case with built in wheels for rolling. <u>Acquire by the first day of school.</u> (buy or rent-to-own)</p>
	<p><u>“Simple Steps to Successful Beginning Percussion”</u> by Kennan Wylie This is the primary text for beginning percussion class, contains information on playing snare drum, bells, timpani and many other percussion instruments. <u>Acquire by the first day of school.</u></p>
	<p><u>Boss DB-30 Metronome</u> This is an essential tool for practicing assignments—keeps a perfect beat that the students will play with to develop great timing. <u>Acquire by the first day of school.</u></p>
	<p><u>Innovative Percussion Stick Bag (Model IP-FP2RP)</u> Students will keep their sticks and mallets in their stick bag so they are not damaged or lost. <u>The sticks/mallets listed below are included in this model stickbag.</u> <u>Acquire by the first day of school or buy the following items “a la carte” on an as needed basis.</u></p>
	<p><u>Innovative Percussion IP-JC Snare Sticks (Included in the Model IP-FP2RP)</u>Used for advanced snare playing, in addition to the LD sticks, these offer the appropriate weight and balance. <u>Acquire by the first day of school.</u></p>
	<p><u>Innovative Percussion IP-902 Red Xylophone Mallets (1 Pair)</u> <i>(Included in the Model IP-FP2RP)</i>Use for playing xylophone/bells/accessory instruments. <u>Acquire by the first day of school.</u></p>
	<p><u>Innovative Percussion GT-3 Timpani Mallets (1 Pair)</u> <i>(Included in the Model IP-FP2RP)</i> Use for playing Timpani. These mallets will not be used until the Spring—<u>Please acquire by the first of January.</u> <i>You may purchase them at the start of the year if you want, but they will not be used until the Spring.</i></p>
	<p><u>Innovative Percussion IP-240 Marimba Mallets</u> <i>(Included in the Model IP-FP2RP)</i> – Yarn, Medium Hard, Birch (1 Pair) Use for playing Marimba. These mallets will not be used until the Spring—<u>Please acquire by the first of January.</u> <i>You may purchase them at the start of the year if you want, but they will not be used until the Spring.</i></p>
