

Fowler MS Honor & Concert Band Practice Card - Spring 2018

Daily home practice will ensure satisfactory progress. All band students should document their daily practice times on this practice sheet. A large percentage of the six-weeks grade will be based on the amount of daily home practice. In order to receive 100% on their practice sheet for that week, students are required to practice a **minimum of 150 minutes per week (approximately 30 minutes a day 5-6 days)**. We strongly encourage equally distributed practice time in order to ensure musical success. **Grades are determined by the amount of time spent practicing. Parents should assign a grade and sign weekly to verify the amount of home practice.** Practice sheets will be checked the second class day of each week and initialed once seen by the director. 20 points will be deducted for the first day the practice sheets are turned in late, with an additional 10 points each additional day late.
