

The Fowler Band information database is NOT connected to the Frisco ISD (or Fowler MS) database. It is essential that the band directors have correct information for parent contact, especially email(s). Please return this information verification form to the band the first week of school. Additionally parents are encouraged to consider assisting the band through volunteering.

Student's Name: _____ Grade: _____

Parent volunteers enable our band directors to focus on the children and their music. Your support plays a critical role in ensuring that the Fowler Middle School Band remains one of the top, if not the BEST, middle school bands in the state!

***Please consider checking two or more ways you can help our band from the list below.
 Thank you in advance for helping the Fowler Band!***
